

**LEAP TO THE SIMILIMUM**  
**The Door To Beyond Unraveled**

The Logical mind is like the tip of an iceberg, and underneath...lies the unconscious .

Its like a whole new story underneath. This is the STATE.

The *key* to this *Unconscious* lies in the  
Peculiar, Rare, Queer, Strange Symptoms...

... which ***Poke*** through in the outer real life.

*Using these as the signposts,  
on the path of **experiential symptoms** (the 5 senses)..*

*... We jump on the stepping stones of chief-complaint, Food, Fear, Dreams and Acutes (FFDA) till we reach the wall between the conscious and the unconscious.*

As we leap over this wall we land into the unconscious...
